

Inform

Inform other students, parents, community members and media about your project. Get their input and get them on board! Design a flyer, poster, website or slide presentation.

- **There are many apps that can help you design a flyer or poster. Try www.canva.com**
 - **Put them up at school, send them to your community partners, put them up around the community.**

- **Build a website that provides awareness information.**
 - **Try Google Sites at: Google.com**
 - **Try a Wix website: www.wix.com**

- **Build a slideshow to be shown at a festival or presentation.**
 - **Use [Google Slides](#)**

- **Notify the Media**
 - **Go to media email list to send your information.**
